*'Our Best at all Times'*

Headteacher: Mrs Mitzi Nichol

13 October 2021

Dear Parent and Carers

As part of our curriculum, Y6 pupils take part in a number of educational class trips. This school year, to link to our creative curriculum areas, Y6 will be visiting many interesting places as well as having some in-house educational workshops.

Year 6 will be visiting Splatt Theatre for an immersive workshop based on WWII. This trip will help to enrich their learning about being a child evacuee by participating in a day of complete immersion in the Second World War.

Please note the dates below:

**Wednesday 3rd November: [Mahlangu & 8 children from Cezanne](#)**

**Wednesday 10th November: [Dali & Cezanne](#)**

If possible, the Theatre have requested that the children dress as an evacuee. Please do not feel under any pressure to purchase anything new, this could be as simple as shorts and a flat cap, or an old fashioned looking dress. All children should be dressed appropriately for the weather.

Please provide your child with a healthy packed lunch. All lunches should not contain fizzy drinks, sweets or any products containing nuts. If your child has an asthma pump or epi pen, please ensure they have this with them on the day. We will be traveling by train from Catford Bridge to Clock House, leaving school at 9.15am and will be back by 3pm.

We would love for parents to join us on this trip; please let the Y6 team know as soon as possible if you are able to come.

Although we are inclusive, any pupil who is not following the school rules within school may lose the opportunity to take part in any of the trips.

Thank you for your continued support.

Yours sincerely

Y6 Team
