

HARRY POTTER NIGHT: WE NEED YOU!

The famous Stillness Juniors Harry Potter Night will take place on **Thursday 29 Feb from 5-7pm**. This is a truly immersive experience for our young wizards – but we need you to make the magic happen.

Could you help put up decorations and transform Stillness into Hogwarts before it all starts?

Could you volunteer to serve butterbeer and sweets, design wands, dress up as a cloaked dementor haunting the halls, lead a Quidditch game in the playground, make potions or dream up spells? We've got a long wizarding wish-list so we'll gladly match you with a role.

If you don't have time to get involved, perhaps there's another way you could help. We're hoping to borrow some badge-makers and source some dry ice. Any other enchanting ideas very welcome!

Please click the link below to join the HP Night WhatsApp group.

Thank you, from Team SCA
