

'Our Best at all Times'

Headteacher: Mrs Mitzi Nichol

16 March 2026

Dear Y3 Parents and Carers

As part of our curriculum enrichment program, Y3 children have the opportunity to participate in a 60-minute animal education session delivered at school by Mitcham Zoo.

Part of these PSHE linked workshops involves animal handling. Animals we anticipate interacting with and learning about include: pythons, tortoises, hedgehogs an armadillo, a bearded dragon, lizards, iguanas and more!

Details

Venue: Stillness Junior School (Main Hall)

Date: 8 May 2026 (Iona)
15 May 2026 (Salehurst)
22 May 2026 (Oxford)

Session Time: 10am

As part of this education workshop involves animal handling, please indicate your consent on ParentPay for your child to handle the animals. We also need to be made aware of any animal related allergies your child has – this can also be communicated via ParentPay – further discussion will be needed. Please submit your consent and animal allergy information (if applicable) by no later than Friday, 1 May 2026.

The cost associated with this enrichment breaks down to £4.45 per child. This cost is covered by your Curriculum Enrichment Contribution for this academic year. If, at the time of this letter being sent, an insufficient Curriculum Enrichment Contribution has been received on your child's behalf, a separate payment item will be set up on ParentPay for you.

Regrettably, if we are unable to cover the costs associated with this learning experience, we will not be able to go ahead with these workshops.

If there are any questions, please email the Y3 Team on y3@stillnessjs.lewisham.sch.uk

Thank you for your support.

Y3 Team
