

'Our Best at all Times'

Headteacher: Mrs Mitzi Nichol

20 March 2026

Dear Sevenoaks Parents and Carers

As part of our enrichment program, the Y4 children will visit the Centre of the Cell to support their understanding of the digestive system. Part of the visit to this incredible Science education centre, the children will participate in a fun and interactive workshop.

Venue: Centre of the Cell, London

Date: Monday, 20 April (Sevenoaks)

Leaving school: 9am

Lunch: Children will be back in time for lunch so will **not** require a packed lunch.

Returning to school: 12.30pm

Travel arrangements: We will be travelling to and from the museum via public transport.

Please provide your child with a healthy snack that they will have after the workshop. All snacks should not contain fizzy drinks, sweets or any products containing nuts. Please ensure your child has a backpack to carry their water bottle and snack in and if your child has a medical bum bag that they wear it, otherwise they will not be able to attend the trip.

Please give permission on Parent Pay, no later than Friday, 27 March 2026.

The cost associated with this trip breaks down to £6.50 per child. This cost is covered by your Curriculum Enrichment Contribution for this academic year. If, at the time of this letter being sent, insufficient Curriculum Enrichment Contributions have been received to cover the cost of your child's place, a separate payment item will be set up on ParentPay for you. Please make payment via ParentPay on or before Friday, 27 March 2026. If we are unable to cover the costs associated with this learning experience, we may not be able to go ahead the trip.

If you would like to volunteer for this trip or have any questions, please contact the Y4 team on the following email address: y4@stillnessjs.lewisham.sch.uk. We have four places available.

If there are any questions, please email the Y4 Team.

Thank you for your support.

Y4 Team
