WE KNOW NETBALL

We have been providing netball leagues for over 10 years, with 40,000 women playing with us weekly.

A large number of girls unfortunately give up all sport during their teenage years, with confidence being a large reason. We have found that for 44% of our adult players who join, we are their first contact with sport or netball since leaving school. Playing sport, and belonging to a team or club, has huge personal, social and emotional benefits. We want to give children the opportunity to try netball at a young age, and hopefully create a lifelong connection with sport, and give them the confidence to continue playing into their adult lives.
