A registration link will be provided in which you can register your details with Teachsport Services before booking for the new academic year. Once clicking the link, you will be taken to a registration activity page.

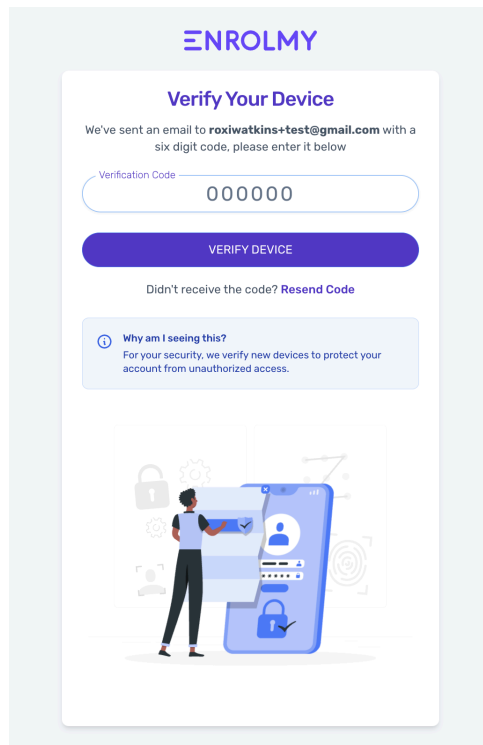

From here, scroll down to the booking selector in order to register your interest. Agree to Teachsport Services Terms and conditions and select *Next: Add Attendees*.

You will then be asked to log into Enrolmy.

When registering with Enrolmy for the first time, you will need to create your account by providing simple details such as first and last name, email address, mobile number and password. You will then be asked to verify your device for security purposes.

Once you have logged in successfully to your parent portal, you will continue the registration process. A child's first name, last name and date of birth is required at this point.
