'Our Best at all Times'

Headteacher: Mrs Mitzi Nichol

14 October 2026

Dear Parents and Carers

Y3 Curriculum Enrichment: Rocks, Soils and Fossils Workshops

To enhance Y3's Science learning next half term, we have planned an in-house Rocks, Soils and Fossils science dome workshop on 20 November 2026.

Children will have the chance to handle fossil and rock samples, understand how different rocks are formed, explore all stages of the rock cycle and make discoveries into how soils reveal Earth's ancient past!

The cost for this workshop breaks down to £6.30 per child. This cost is covered by your Curriculum Enrichment Contribution for this academic year. If, at the time of this letter being sent, no Curriculum Enrichment Contribution has been received, a separate payment item will be set up on ParentPay for you. **Please make payment via ParentPay on or before 22 October 2026.**

Unfortunately, if we do not receive enough payments to cover the cost associated with this learning experience, we will not be able to go ahead with this workshop as planned.

We hope to be able to bring the children's learning to life via this workshop and thank you for your support.

If you have any queries, please speak to your child's class teacher or email y3@stillnessjs.lewisham.sch.uk

Yours sincerely

Y3 Team
